WIHA SET PAPUCI, PER DIN BLAU | 1,5-2,5 / 1,5-2,5

Description

A safe connection is essential, especially in switch cabinet construction and when connecting earth conductors. A gas-tight connection can be established using the Wiha automatic Cleste sertizare and cable eyes, thus guaranteeing a long-term safe contact. The conical-shaped collar makes it easier to insert wires into the sleeve. Wiha halogen-free cable eyes offer heat resistance up to 105 °C. They are manufactured to DIN 46237 measurement specifications and are certified to the applicable standards and UL requirements.

Application

Ideal for connecting earthing cables. Suitable for use in switch cabinet construction, cable preparation, railway vehicle construction and car music system installation.

Greutate:111g

Pret: 0,00 lei (TVA inclus)
