

Furnizor: **Sc Trivolt Distribution SRL**  
Reg. com.: J23/3300/2016  
CIF: RO36421140  
Adresa: Strada Apusului nr 3 ( primul  
sens giratoriu Tehodor Pallady-  
Autostrada Soarelui), Catelu, Ilfov  
Banca: BRD  
IBAN: RO34BRDE441SV13182234410

	<p style="text-align: center;"><b><u>ELSTEAD-LIGHTING GARDEN ZONE CABLE EXTENSION 20M</u></b></p> <p>Weight 1.5 kg Dimensions 26 × 13 × 26 cm Class: Class I Integrated LED: No Voltage: 12v Brand: Garden Zone Family: Garden Zone Interior/Exterior: Exterior Product Style: Landscape Lighting Product Type: Garden Zone Accessory Made in England: No Barcode: 5024005505006 PLUG &amp; GO: HOW IT WORKS Step 1: Choose the areas you want to have lit, then we suggest that you sketch a rough plan view of each area involved. Step 2: Choose the fittings which will suit the requirements and list them out with the quantity of each where relevant. Be careful to bear in mind the voltage of the fittings chosen. All 220-240V fittings will need mains supply to wherever they are to be installed whereas all plug &amp; go models just need to be connected into the low voltage cable (as shown below). Step 3: Measure the distance involved for the plug &amp; go models chosen and determine, from the cable set options available which cable set or sets will be needed. Remember, up to 80 metres of cable can be used from 1 LED driver but the wattage loading must not exceed the recommended minimum, maximum (see accessories page 209). Step 4: Plan where the mains supply will originate from. With the plug &amp; go system you have a choice of placing the LED driver/drivers in an IP rated wall box on an exterior wall. However, depending on how large an area is involved, sometimes more than one mains feed may be needed in different locations. Consultation with an electrician is advisable on this matter. Important Plug &amp; go fittings use a unique single pin, 2 pole plug and as such are not compatible with any other product or system. Currently they are not dimmable but they will work when wired via a timer. Pret: 274,73 lei (TVA inclus)</p> <p>Detalii online: <a href="https://www.materialeelectrice.ro/garden-zone-cable-extension-20m-298097">https://www.materialeelectrice.ro/garden-zone-cable-extension-20m-298097</a></p>
