Norlys warranty for products with Copper and Aluminium parts
All Norlys products are designed to have high-grade performance, striking visual appearance and when maintained properly will give many years of good service. To support this, their product warranties differ for each type of material.
The copper parts on this Norlys product are guaranteed against structural failure for 10 years. This includes use in coastal regions. (Once installed, copper will immediately start to develop a natural patina, darkening over time)
All die-cast aluminium parts on this Norlys product are guaranteed against severe corrosion for 5 years. This includes use in coastal regions.
On Norlys products, electrical components have 5 years warranty and PIR sensors have 2 years warranty.
Pret: 0,00 lei (TVA inclus)
