IBAN: RO34BRDE441SV13182234410

IEK KREPTA 3 CUTIE GOALA CU USA 9 MODULE IP31 BEJ (IN COLOR PACKAGING)

Compact electrical distributors are often required for residential and office installations. Boxes of KMPn series, distinguished by a modern design and streamlined shape, suitable for any interior. This series is made in a wood-like design, imitating the colors of such species as pine and oak. Used in the decoration of country houses. Made of self-extinguishing polymers.

Protection against theft of electricity and unauthorized access to the contact group - the box can be sealed.

Easy and quick installation.

Suitable for installation of circuit breakers up to 18 mm wide.

Easy introduction of cables through break out openings.

Circuit breakers inside the box are firmly attached to the built-in DIN rail.

Ability to install several boxes in a row.

This series is in perfect harmony with the color of cable channels and IEK mounting boxes in the color of wood, which allows you to give the room a beautiful appearance in the same style. Mounting method: EV000945
