KALIOPE is a perfect ceiling fixture for modern, Scandinavian and retro style lovers. KALIOPE is original and effective, it immediately catches the eye and gives the interior an atmosphere. Effective wire lampshade is one of the most fashionable designs on the market, very popular among interior designers. KALIOPE ceiling fixture will be a perfect decorative element complementing the decor of a living room, a kitchen or a dining room. It will be ideal especially for rooms with not many additions, minimalist. It can be successfully used in commercial projects such as restaurants or cafes. Its height is adjustable, so it can be adjusted to both high and low rooms. The openwork structure of the fixture exposes a light source, that is why LED light source with decorative filaments will work well in case of KALIOPE. Modern designs of LED bulbs in this style are an original, decorative element. When the light is on, the wire lampshade casts shadows on the walls, which definitely makes the room warmer. An interesting shape of the lampshade in grey colour with gold mounting will bring peace and harmony to rooms. Grey colour of additions makes the interior elegant and extravagant. Whereas, the marriage of grey and gold adds cosiness, but also a timeless classic.
