Muscari is a perfect combination of warm metallic brass, eye-catching black elements and a glass lampshade. Such a mixture of materials combined with a charming classic design makes the lamp an elegant addition to rooms arranged in a retro style.

Muscari can successfully take a central place in any room. The height of the lamp is adjustable so that it can be set in a position that best matches a given space. Hang it high in a living room or lower it above a dining room table to create ambient lighting for cosy meetings. Slightly amber lampshade warms and softens the light of bulbs;

The glass lampshade adds lightness to the rooms in which the lamp is hung; Brass elements match almost every style, even an ECO style.
