**GTV SURSA LUMINOASA - LED LIGHT, FILAMENT, C35L, 4000K, E14,
4W, 440IM, AC220-240V/ 50-60HZ, RA>80, 360DEGREES**

Filament light sources complement both modern and classic interior designs. A transparent bulb with visible LEDs makes them an ideal solution for all types of lamps and chandeliers with a visible light source.

A neutral colour temperature does not strain the eyes and it helps to focus attention.

Unlike a warm colour temperature, it shows true colours because it does not emit yellow colour. They should be used in studies, kitchens and bathrooms. Very high luminous efficiency; a modern solution in a retro style;

4
