

## WIHA TOOL SET ELECTRICIAN

### Description

This 12-pc. tool set contains selected hand tools for the most common applications for electricians. Featuring a zip, carrying handle and pockets for hand tools, the fully folding tool bag provides plenty of storage space and an orderly arrangement. The insulated SoftFinish® electric slimFix screwdrivers easily reach even low-lying screws and spring elements thanks to their very slim blades. The tool bag also contains a cable cutter, Patent cu nasand heavy-duty diagonal cutters with DynamicJoint® technology for optimum hand force transmission. Other tools specially designed for an electrician's task field make the tool set complete.
