Inspired by a 1920s school light, it looks great in traditional art deco themed interiors. This classic is rated at IP44 and can safely be used in bathrooms. Just because the Caden bathroom ceiling light is designed for the bathroom doesn't mean it can't be used in other rooms such as bedrooms, lounges or kitchens. If you are looking for bathroom lighting why not visit our Bathroom Lighting collection for lighting designed specifically for safe use in the bathroom. The Caden bathroom ceiling light takes an E27 (ES) lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full
