

DAR LIGHTING GROUP LAMPA TAVAN ZANCARA LARGE 7 LIGHT FLUSH POLISHED CHROME CRYSTAL LED

A striking and contemporary optical illusion from dar Lighting. Seven playful looping ribbons of LED lit clear, faceted crystal are reflected in a round mirror-polished chrome ceiling plate, creating the appearance of suspended hoops. This effect is great for giving a sense of height to a room. The Zancara flush ceiling light fitting from dar Lighting has a low profile, so is suitable for low ceiling heights; we suggest you check available height before purchase. Warm white integrated LED bulb. This LED light can be used with an appropriate dimmer switch. Measurements H24 x O65cm
