

DAR LIGHTING GROUP LAMPA SUSPENDATA NIMBUS 6 LIGHT PENDANT **POLISHED CHROME CRYSTAL**

The Nimbus 6 light crystal ceiling light was inspired by art deco ballerina rings of the 1920s. The staggered coffin crystals form a halo around an open centre to give a lighter more floating appearance. The nimbus chandelier has a large diameter but is still low profile suspended by 1 metre of adjustable stainless steel hanging cable it can be adjusted to fit most spaces. The Nimbus crystal ceiling light makes an impressive statement above a dining table or in a living room. If height is restrictive we have an equally opulent flush ceiling light.
