

DAR LIGHTING GROUP LAMPA SUSPENDATA MYA 1 LIGHT SINGLE PENDANT POLISHED NICKEL GLASS

The Mya single pendant features a traditional drop shaped mouth blown glass with a more contemporary soft waterfall ribbing, gently diffusing the light. Complemented with satin nickel metal work and 1 metre of black braided cable adjustable on installation. When we designed the Mya we were thinking of it as a kitchen pendant light, we think it will look great in a set of 3 over a breakfast bar, or in a cluster over a dining table, equally we can see it being hung in the bedroom, we'd love to see how you use it.
