

DAR LIGHTING GROUP PITIC VOX OUTDOOR POST MATT GREY SOLAR POWERED WITH PIR SENSOR IP65 LED

The Vox Outdoor Post Light is a high quality solar powered light in a matt, anthracite grey finish offering a wire-free solution to driveway lighting. It features a soft start LED module, activated via a built-in PIR sensor and powered by a sleek integrated glass solar panel. The smart Vox LED outdoor light doesn't need to be wired in and can stand on its own, or be moved to suit the occasion; however, for security it has screw fixings to enable it to be mounted to the driveway. This attractive garden post light has an IP65 rating resistant to moisture or dust, making it ideal for outdoor use. Measurements H51 x O16cm
