

DAR LIGHTING GROUP CORP DE ILUMINAT TIP SPOT NATHANIEL SINGLE WALL SPOTLIGHT AGED BRASS

The Nathaniel single spot light in aged brass follows a traditional design on a small scale, with an adjustable flared head and stepped back plate giving it an early 20th century look. We find the Nathaniel works great where light needs to be directed, either lighting a dark corner, a working area or just your favourite art or interior piece. It's perfect on the ceiling or equally can be used as a wall light. We've also seen Nathaniel at home in cottages with their low ceilings and beams, highlighting details without hanging too low. Also available in a twin spot light and in polished nickel. Measurements D19 x H15 x W9cm

Fixing Plate Dimensions H3.5 x O9cm

Finish Aged Brass
