

DAR LIGHTING GROUP CORP DE ILUMINAT TIP SPOT GOVERNOR SINGLE WALL SPOTLIGHT ANTIQUE CHROME & BRASS

The Governor single spot light features a rich mix of antique chrome and antique brass with knurled detail and exposed twisted fabric cable. The head can be adjusted to direct the light where needed. A convenient toggle switch is located on the back plate. We find that bar spotlights like this are particularly suited to cottages with low ceilings and kitchens where the light can be directed onto the work surfaces. If you are looking for more spotlights try our spotlight collection. The Governor single spot light takes an E14 SES lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.
