

DAR LIGHTING GROUP VEIOZA ESBEN TOUCH TABLE LAMP ANTIQUE BRASS WITH PLANET GLASS

The ESBEN touch table lamp in antique brass and planet art glass. The touch lamp can be switched on just with a light touch anywhere on the metal base. A warm antique brass the Esben touch lamp adds a touch of elegance to any room. The hand-blown art glass shade mimics a planet with shades of blue, orange, and grey on a white background; it looks spectacular both on or off. The Esben touch table lamp is small enough to be used anywhere, adding a touch of stylish light wherever you place it. We find it most useful used as a pair on bedside tables, making use of the touch feature in the dark avoids fumbling for the usual inline switch. The Esben touch table lamp takes a G9 lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.
