

## **DAR LIGHTING GROUP VEIOZA ESBEN TOUCH TABLE LAMP POLISHED CHROME WITH OPAL GLASS**

The ESBEN touch table lamp in polished chrome and opal white glass. The touch lamp can be switched on just with a light touch anywhere on the metal base. With a contemporary polished chrome finish the Esben touch lamp adds a touch of elegance to any room. The opal glass shade gives an even inviting glow when on and a clean contemporary look when off. The Esben touch table lamp is small enough to be used anywhere adding a touch of stylish light wherever you place it. We find it most useful used as a pair on bedside tables making use of the touch feature in the dark avoids fumbling for the usual inline switch. The Esben touch table lamp takes a G9 lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.
