

DAR LIGHTING GROUP VEIOZA ESBEN TOUCH TABLE LAMP POLISHED CHROME WITH SMOKED GLASS

The ESBEN touch table lamp in polished chrome and smoked glass. The touch lamp can be switched on just with a light touch anywhere on the metal base. With a modern polished chrome look and reflective smoked glass shade that looks almost solid when off and has a nice inviting glow without the glare when on. The Esben touch table lamp is small enough to be used anywhere adding a touch of stylish light wherever you place it. We find it most useful used as a pair on bedside tables making use of the touch feature in the dark avoids fumbling for the usual inline switch. The Esben touch table lamp takes a G9 lamp, we'd always recommend using one of our highly efficient LED lamps available in a warm 3000k temperature or a crisp cool white 4000k, take a look at our LED Lamps for the full range.
