

DAR LIGHTING GROUP APLICA KEEGAN OUTDOOR WALL LIGHT RUBBED BRONZE IP44 LARGE

The Keegan wall light is an elegantly proportioned contemporary wall light fitted with ribbed glass that creates striking highlights when lit. In an elongated box shape, it has an antiqued bronze finish, the edges carefully rubbed by hand to expose a bright brass highlight beneath. Each light is then lacquered for durability in the British weather. This is a perfect fitting for lighting a patio or placing beside a doorway. A smaller size is also available. Please note, as each hand-finished item is unique, the finish may vary. IP44 rated for safe outdoor use. Bulb not included; takes 1 x 60W max Edison screw tube (we recommend a 225mm LED tube bulb). Measurements D10 x H45 x W12cm
