

GTV LAMPA TAVAN - CEILING FIXTURE ARTEMIA L,2508,AC220-240V,50/60HZ,1*E27, MAX.40W, IP20, 34,5CM, SINGLE, WHITE

ARTEMIA lamp is a perfect luminaire for lovers of modern and Scandinavian style. It is a very aesthetic and elegant ceiling luminaire. It creates a retro atmosphere in any interior.

The ARTEMIA luminaire is ideally suited to the design of the living room, kitchen, dining room or teenagers' room. The smart white colour is harmoniously combined with the metal fixture finished with a brushed steel texture. The lampshade lining is also white, which makes the emitted light bright and properly diffused.

A characteristic element of the ARTEMIA luminaire is a lampshade with an industrial finish. In lamps with a visible light source, the best solution is a FILAMENT-style bulb, which combines advanced LED technology with eye-catching decorative lighting. Various shapes of light bulbs in this style serve as decoration even with the light turned off. The combination of a

classic style with an energy-saving solution is not only an effective piece of room equipment, but also a much better solution for the environment. The metal lampshade is the perfect match with modern and Scandinavian style;

The classic shape suits any interior – living room, kitchen, dining room or teenagers' room; Smart and fashionable combination of white and silver colours.

Power cord hidden in a fabric braid;

Medium-sized lamp for one light source – the diameter of the lampshade is 34.5 cm. Power of light source or device max.40 W
