

GTV LAMPA TAVAN - CEILING FIXTURE DEMIR,3963,AC220-240V,50/60HZ,1*E27, IP20,SINGLE,BLACK

The loft style in combination with the modern style allows creating extremely interesting compositions in interiors. It is a perfect solution for those who prefer practical and efficient items – it creates expressive, transparent, and minimalist interiors. The DEMIR ceiling luminaire fits perfectly into the contemporary, modern, industrial, and loft style. It can be used when arranging a living room, kitchen, dining room, and even a child's room. It fits perfectly in any interior finished in a friendly and warm manner.

Track-mounted DEMIR lamps can also be used in commercial premises, e.g. restaurants and cafes. A characteristic feature of the DEMIR luminaire is its classical and elegant look. The luminaire has one lampshade for the adjustment of the beam angle, which can be used to illuminate the selected area. The metal lampshade is the perfect match with loft, industrial, and modern style;

The modern and elegant design of the lamp create an original atmosphere in the interior;

Smart black colours adds luxury and sophisticated elegance to any home in the form of details;
