

GTV LAMPA TAVAN - CEILING FIXTURE GIANNI L,8105,AC220-240V,50/60HZ,1*E27,MAX.40W,IP20, DIAMETER32CM,SINGLE, BLACK/GOLD

GIANNI is a classic lamp with visible influences of industrial design, which complements interiors decorated in Scandinavian and modern styles. It is a stylish element that is eye-catching but not overwhelming. The variant with an anthracite lampshade and copper mount can be the focal point in any interior. When used above the dining room table, it is recommended to mount 2 pieces close to each other.

The lamp is suspended on an adjustable cord. This solution is especially appreciated by owners of rather low interiors.

GIANNI with a 32

cm diameter lampshade is also the favourite of owners of shops and restaurants.

The lamp uses the most popular socket on the market – E27, to easily adjust the light source. The classic, conical shape of the lamp allows it to be used in any room – dining room, kitchen, living room, and even in restaurants, cafes, and shops;

Timeless colours that are always fashionable – copper brings elegance to the interior, and is an element that catches the eye and enlivens the space;

Power cord with adjustable length;

Meticulous workmanship guarantees long-term use;

Medium-sized lamp for one light source – the diameter of the lampshade is 32 cm. Power of light source or device max.40 W
