IP20, DIAMETER 20 CM,SINGLE, BLACK**

A modern pendant lamp with a black top is a lighting element that will give a unique character to your interior. The lamp blends perfectly with arrangements in Scandinavian, vintage, and loft styles.

The modern LEDER lamp is made of metal and glass with the utmost care for every detail. The best quality glass that was subjected to a special firing process obtaining a yellowish tint was used for production. Thanks to this treatment, a warm, pleasant light is obtained, regardless of a light source used.

The designer pendant lamp is perfect for both a bedroom area and rooms with intense traffic. The designer form with the black top adds a modern character to every room;

A geometric, universal lampshade makes it possible to use the lamp in many types of rooms;

The height of the lamp is adjustable so that you can adjust it to any room;

Middle size lamp for one light source – the diameter of the lamp is 20 cm. Power of light source or device max.40 W
