

GTV SPOT - CEILING FIXTURE LOID, 4663,AC220-240V, 50/60 HZ, IP 20,2* GU10, ES111DOUBLE,WHITE

LOID is a functional 2-point rectangular spotlight which is best used in modern interiors. Its shape looks great as part of a larger lighting system.

LOID spotlight is ideal for arranging a living room, a kitchen or a

dining room. It will also work well in offices and cabinets as well as in commercial spaces such as shops and hotels.

Spotlight is made of high-quality steel. It has the ability to set any beam angle, so that it can illuminate a selected part of the room. LOID spotlight is designed in universal black and white colours. It presents stylistic harmony, minimalism and at the same time it is a guarantee of clarity of contrast. Metal structure perfectly matches rooms in modern style, which is characterized by functionality and simplicity of form;

Low profile is perfect for lower rooms;

Universal, fashionable black and white colours with plenty of individualism;

Movable spot to change the beam angle;

Middle size spotlight for 2x GU10, ES111
