

**GTV SPOT - CEILING FIXTURE LOID,4700,AC220-240V, 50/60 HZ, IP 20,2*GU10,ES11,
DOUBLE,BLACK**

LOID is a functional 2-point rectangular spotlight which is best used in modern interiors. Its shape looks great as part of a larger lighting system.

LOID spotlight is ideal for arranging a living room, a kitchen or a

dining room. It will also work well in offices and cabinets as well as in commercial spaces such as shops and hotels.

Spotlight is made of high-quality steel. It has the ability to set any beam angle, so that it can illuminate a selected part of the room. LOID spotlight is designed in universal black colour. It presents stylistic harmony and minimalism. In addition, it is worth stressing that black colour is extremely fashionable and timeless, it always looks elegant and exclusive. Metal structure perfectly matches rooms in modern style, which is characterized by functionality and simplicity of form;

Low profile is perfect for lower rooms;

Universal, always fashionable colour;

Movable spot to change the beam angle;
