

GTV LAMPA TAVAN - CEILING FIXTURE MEES,2363,AC220-240V,50/60HZ,1*E27, IP20, DIAMETER 30 CM,SINGLE,BLACK

The lamp is kept in a modern and industrial style. It is a perfect decorative accent in interiors decorated in classic, loft, and retro styles. This lamp model is perfect in the kitchen, dining room, and living room design. It is a great match with traditional rectangular tiles, which are associated with tiled stoves in our grandparents' homes. The MESS lamp can also be used in restaurants or cafes decorated in loft, vintage, and retro styles. The metal shade provides light emission only downwards, hence the product is perfect to be hung above the table. In addition, with the possibility of adjusting the length of the cable on which the lamp is hung, it can be adjusted to the height of the room.

A characteristic element of the MEES luminaire is the lampshade mounting, the shape of which resembles kerosene lamps. The combination of black colour with copper makes the lamp extraordinary, eye-catching, and adds a unique character to the interior.

The metal, black shade fits perfectly into loft, vintage and retro interiors;

The classic shape fits in the kitchen and dining room, and the lamp looks great above the table;

Always fashionable, black color in combination with copper highlights the sophisticated beauty of the luminaire – copper shades bring elegance to the interior, and are an element that attracts the eye and enlivens the space;

Meticulous workmanship guarantees long-term use;

Medium-sized lamp for one light source – the diameter of the lampshade is 30 cm. Power of light source or device max.40 W
