

GTV LAMPA TAVAN - CEILING FIXTURE NOOR,6934,AC220-240V,50/60HZ,1*E27, IP20, DIAMETER 22 CM,SINGLE,WHITE

The NOOR lamp is the ideal ceiling light for loft lovers. In such interiors, simplicity and rigor play a decisive role. However, modern lofts are not devoid of bright elements that warm the interior. Thus, NOOR is an excellent choice for apartment or office in an industrial style – it combines a stylish loft design with a white finish that brightens the room and gives it a less austere look.

The NOOR lamp will fit well into the kitchen space and will become an original decoration above the table in the kitchen or in the dining room. A very interesting solution is to use it in cafes or restaurants decorated in loft or vintage style.

A characteristic feature of the NOOR luminaire is its modern look. Its form refers to post-industrial lighting, but in a

new, updated form. The combination of industrial rigor with Scandinavian simplicity creates a very aesthetic ceiling lamp that fits perfectly into our apartment. It is worth noting that the copper element, combined with the classic and elegant white shade, is one of the trendiest color combinations in the interior this season. The metal lampshade fits perfectly into rooms in Scandinavian, vintage, loft or retro style;

The classic shape will fit perfectly into the kitchen and dining room, and will look good over the table near the kitchen corner or in the dining room;

Elegant and fashionable white color combined with copper elements emphasizes the exquisite beauty of the lamp – copper shades bring elegance to the interior, and are an accent that catches the eye and enlivens the space;

High-quality workmanship guarantees long-term use;

Medium lamp for one light source – lampshade diameter 22 cm. Producent code OS-NOOR-00-DEC
