

GTV LAMPA TAVAN - CEILING FIXTURE OXALIS , 3161,AC220-240V,50/60HZ,1*E27, IP20,22CMX20CM,SINGLE, BLACK

OXALIS is a stunning combination of modern and industrial styles. Geometric shapes will be a captivating addition to every interior.

The simple and clean in its form geometric shape of the metal frame makes it a universal lighting in a living room, a dining room, a kitchen, and even in a hall.

Lamps with an exposed light source allow the light to spread in every direction, creating a moody atmosphere. For this purpose, it is best to use FILAMENTS with a colour temperature in the range of 2700-3000K. The triangular metal frame matches perfectly rooms in modern and industrial styles;

Fashionable black colour will be perfect for any room;

Possibility to adjust the length of the power cable;

Middle size lamp for one light source – the width of the lampshade is 20 cm. Power of light source or device max.40 W

Weight 400 g

Voltage 220-240 V
