

GTV LAMPA TAVAN - CEILING FIXTURE OXALIS 2 , 3185,AC220-240V,50/60HZ,1*E27, IP20,13CMX13CMX20CM,SINGLE, BLACK

OXALIS is a stunning combination of modern and industrial styles. Geometric shapes will be a captivating addition to every interior.

The simple and clean in its form geometric shape of the metal frame makes it a universal lighting in a living room, a dining room, a kitchen, and even in a hall.

Lamps with an exposed light source allow the light to spread in every direction, creating a moody atmosphere. For this purpose, it is best to use FILAMENTS with a colour temperature in the range of 2700-3000K. In loft-style rooms, after turning on, OXALIS will bring out all the details, casting delicate shadows. The metal frame consisting of two crossing rectangles matches perfectly rooms in modern and industrial styles;

Fashionable black colour will be perfect for any room;

Possibility to adjust the length of the power cable;

Middle size lamp for one light source – the width of the lampshade is 13 cm. Power of light source or device max.40 W
