

**GTV SPOT - CEILING LIGHT FIXTURE BLINK, AC220-240V, 50/60 HZ, GU10, MAX.
20W*2, IP20, DOUBLE, BLACK**

A fixture in an interesting, minimalist style is a universal lighting solution. Tube-shaped adjustable heads are suitable for light sources with a GU10 thread. It is good to choose a light source with a glass bulb to create a harmonious combination. The luminaire fits perfectly into minimalist interiors. The direction of illumination can be adjusted in the horizontal and vertical planes. Replaceable light source allowing for individual selection of light power and color. Voltage 220-240 V
Material aluminium/cast iron
Base type GU10
Producent code OS-BLN50W2-00
Pret: 0,00 LEI (TVA inclus)
