FORESTO lamp series – geometric beauty inspired by nature.

FORESTO lamp collection is an extraordinary lighting series that perfectly fits into the current trends of returning to nature. Its geometric shapes and black colour add versatility, allowing it to easily fit into virtually any interior.

Made of natural materials, FORESTO braided pendant lamp will become not only a practical light source, but also a stylish decorative accessory. Its unique design makes the lamp fit perfectly into various interior styles, such as eco, boho, Scandinavian, minimalist or even industrial. FORESTO lamp will look great both in a living room, dining room and bedroom, creating a cozy atmosphere.

The inspiration for FORESTO collection were the rays of the sun breaking through the dense branches of trees. This is the effect that appears when the light is turned on, creating a unique atmosphere. Recently fashionable natural materials and colours make this stylish lamp a perfect complement to your interior. FORESTO collection includes a pendant lamp, a table lamp and a wall lamp.
