1*E27, MAX.40 W, IP20, AVG. 30, 6 CM, GOLD/BLACK**

Lamia pendant lamp is the answer to the needs of people who value a combination of elegance and modernity. The stylish line and carefully selected materials create a neat whole that stands out in the interior, adding a character to it.

Lamia ceiling lamp was created from a combination of metal in the colour of classic gold and milky glass. Its uncomplicated design without ornaments makes it an ideal choice for stylish living rooms, but also offices and spaces where decorative lighting is designed to subtly emphasize a well-thought-out selection of additions. It will be perfect for a kitchen, above a kitchen island, a dining table, a coffee table in the lounge area or in an elegant office.

Its versatile form creates unlimited potential. Lamia pendant lamp fits into the classic and modern style, but it will also neatly complement an eclectic arrangement mix. The subtle dimensions of the ceiling lamp give a wide range of possibilities – use one, two or three to achieve diverse effects. Using other models from the Lamia collection, you will create complex lighting in a visually coherent character. An elegant form achieved by combining glass with metal.

Subdued character that universally harmonizes with numerous arrangements.

Refined details work for a unique aesthetic effect.

A milky lampshade made of non-transparent glass beautifully diffuses the incident light. Producent code OS-LAM3-11-DEC
