

**GTV CORP DE ILUMINAT - VEIOZA ARCHITECTO 8W, 600LM.AC220-240V, 4000K, PF>0,5, 3 STEP DIMMING, RA>80, BLACK**

A modern desk lamp in an industrial style resembles drawing lamps used in design offices.

An arm of the lamp can be sleeplessly adjusted in every plane.

An adjustable clamp is compatible with 10-50 mm thick tabletops.

The emitted light has a

neutral colour temperature with relatively high intensity. If it turns out to be too bright, you can dim it by half with a

single touch. Smooth stepless arm adjustment;

Neutral colour temperature conducive to reading and learning;

Mounting to 10-50

mm thick tabletops. Voltage 220-240 V

Base type Led

Producent code LB-ARCH8W-10

Pret: 0,00 LEI (TVA inclus)
