

GTV CORP DE ILUMINAT - VEIOZA GALE, 8 W,550LM,AC220-240V,5-CCT, 10 STEP DIMMING,PF>0,5 RA>80, BLACK

Gale is a classic LED lamp enriched with a few modern features.

A user can adjust a colour temperature to a currently performed activity:

Cold – to work

Neutral – to learn and read

Warm – to relax

The brightness of the light is set by means of a touch panel with smooth, stepless adjustment.

An arm of the lamp can be adjusted in 3 planes, which in combination with a

soft flicker-free light makes it possible to create comfortable conditions for human eyes.

Anyone who likes to fall asleep with the light on will appreciate a

Timer function that delays turning off of the light by 1

hour. You can also use a delicate bedside lamp built into a base.

Knowing that nowadays almost everyone has at least one mobile device, such as a phone, a

tablet, or headphones, we have not forgotten about necessity of charging them, so we have put USB-A 5 V/1

A socket in the base.

The lamp is powered by standard mains voltage by means of the included power supply and 150cm long USB cable. Stepless dimming adjustment;

3

colour temperatures to choose;

Touch control panel;

Timer that delays turning off the lamp;

Bedside lamp function. Voltage 220-240 V

Base type Led

Producent code LB-GAL8W-10-DEC

Pret: 0,00 LEI (TVA inclus)
