3 STEP DIMMING, PF>0,5, RA>80, WHITE**

HALLEY desk lamp is maintained in a modern and minimalist style. A slender shape of a lampshade is combined harmoniously with other elements: a very flexible arm and a base.

A touch switch also supports 3-step dimming function 100% / 50% / 10%.

The lamp provides a neutral colour temperature of 4000K with a maximum brightness of 500lm.

A set includes the lamp with a 1.5m length power cord. 3-step dimming levels 100% / 50% / 10%
