

**GTV CORP DE ILUMINAT PENTRU EXTERIOR - GARDEN FIXTURE DIEGO, GU10,
MAX. 35W, IP65, AC220-240V, 50/60HZ, GRAY**

It is one of the most popular solutions chosen by our customers, giving full freedom in arranging garden lighting. We have obtained such flexibility thanks to the use of in-ground mounting, not screw mounting. The power cable is very easy to hide under grass, bark or grit. High protection rating – IP65;

Adjustable head with a

GU10

socket;

Applied with a

circular power cable with a

diameter of no more than 7

mm. Power of light source or device 35 W

Weight 330 g
