

## GTV CORP DE ILUMINAT PENTRU EXTERIOR - GARDEN FIXTURE DIEGO, GU10, MAX. 35W, IP65, AC220-240V, 50/60HZ, GRAY

It is one of the most popular solutions chosen by our customers, giving full freedom in arranging garden lighting. We have obtained such flexibility thanks to the use of in-ground mounting, not screw mounting. The power cable is very easy to hide under grass, bark or grit. High protection rating – IP65;

Adjustable head with a

**GU10** 

socket;

Applied with a

circular power cable with a

diameter of no more than 7

mm. Power of light source or device 35 W
