

**GTV CORP DE ILUMINAT PENTRU EXTERIOR - GARDEN FIXTURE LUSTINO-P 80,  
GU10, MAX.20W, IP44, AC220-240V, 50-60HZ, MOUNTING POST, GRAPHITE**

An original garden fixture in a triangular shape that will add attractiveness to our surroundings. An adjustable head makes it possible to choose the light angle, which gives us various possibilities of illuminating the lawn. Its universal anthracite colour will match any colour of building.

The lampshade has a

GU10

socket allowing for the use of any light source with this thread. Light sources with a glass bulb look the best. Original, eye catching design,

Adjustable light angle;

Replaceable light source allowing for an individual choice of power and colour temperature of the light. Base type GU10

Producent code OS-USTIP80-30

Pret: 0,00 LEI (TVA inclus)
