

**GTV CORP DE ILUMINAT PENTRU EXTERIOR - GARDEN LUMINAIRE GRANDE-P
31, E27, MAX.60W, IP54, AC220-240V, 50-60HZ, POST, BLACK**

GRANDE are stylised lamps used to create a charming lighting arrangement both in the home garden and in a restaurant with an outside garden. Classic design suits virtually any setting. The body is made of corrosion-resistant aluminium in black colour. The light source is shielded by a durable polycarbonate shade.

A filament bulb in a warm light colour of 2700-3000

K with an E27

cap is recommended to create a cosy atmosphere. Its power should not exceed 60

watts. Corrosion-resistant aluminium body;

Polycarbonate shade protecting the light source;

High weather resistance – IP 54. Producent code OS-GRA31P-00

Pret: 0,00 LEI (TVA inclus)
