

**GTV CORP DE ILUMINAT - MONUM VEIOZA , 3W, 200LM, DC 5V, 1A,3000 K, 3 ST.
DIMMING, BATTERY 1800 MAH, INOX**

Monum is a portable desk lamp equipped with a powerful 1800 mAh battery. The battery is charged by means of a 100 cm long USB cable included in a set.

As befits a modern design, the lamp does not have a classic switch, only a touch panel located at the top of the lampshade. After touching it, the lamp lights up smoothly to reach its full power after a while. Similarly, when turning it off, the light is slightly dimmed until it is completely turned off.

The dimming function is activated by a long touch on the top of the lamp. Powerful battery;

Dimming function. Voltage 5 V

Color temperature 3000 K

Material metal, PC

Luminous flux 200 lm

Producent code LB-MON3W-02-DEC

Pret: 0,00 LEI (TVA inclus)
