

GTV CORP DE ILUMINAT - TABLE LAMP LAMIA, 9936, MAX.250V, 50/60HZ, 1*E27, MAX.40 W, DIA. 30, 6 CM, IP20, CREAM

Lamia desk lamp will illuminate workspace or add some lighting for soothing relaxation where it is needed. The refined style universally fits into numerous arrangements, adding class and charm to them.

Lamia table lamp is a

sophisticated design that combines classic simplicity with sublime elegance. It is this that is reflected in carefully selected materials. Lamia desk lamp combines milky white of a glass lampshade with rounded shapes, a delicate gloss of metal in the colour of classic gold and a matt black base that completes the whole.

Stable, functional and well-thought-out to the smallest detail, Lamia desk lamp provides optimal lighting without tiring the eyes and glaring light reflecting on the surface. The simple and stylish form fits perfectly into classic arrangements – it blends perfectly with wooden furniture and leather sofas. The interesting design also meets the needs of eclectic and modern interiors with a traditional cut. An elegant combination of gold glitter, matt glass and subdued black.

Comfortable illumination of the desk top with the effect of warm cosiness.

A stylish addition that will add character to the interior.

Practical functionality with a

convenient switch. Producent code OS-LAM-11-DEC

Pret: 303,01 LEI (TVA inclus)
