MAX250V, 50/60HZ, 1*E27, MAX.40W, IP20, AVG. 30, 6 CM, BLACK/GOLD**

A wall lamp from Lamia collection will stylishly illuminate selected zones, complementing the space with elegant accents. The wall lamp is part of the Lamia collection, which, thanks to its well-thought-out form and refined character, allows for creation of complex lighting arrangements.

Lamia wall lamp has a

visually extreme subtle form. A milky-white lampshade, which perfectly diffuses light, eliminating the glare effect, is complemented by yellow gold metal and matt black elements. The whole creates an elegant and very balanced effect. Lamia wall lamp, thanks to its versatile character, looks great in classic, eclectic and modern interiors. It looks great in the company of wood, it blends with white, grey, pastels, and it also contrasts well with saturated shades of darker colours.

The style of the wall lamp, without ornaments, is neat in creating numerous design compositions for various needs. It will be perfect for stylish studies, living rooms, as well as passageways. The subdued light it emits will provide cosiness and comfort. The choice of various forms of lighting in the Lamia collection allows for creation of your own composition, tailored to individual needs. A decorative wall lamp that will add cosiness to the interior.
